which ARMS characters i would smash/pass and my reasons why

Summary

Don't ask me, you were the one who read the title.

(Jebus christ, I should be working on two Punch-Out fanfics and chapter 22 of ARMS: TSAI, but the ADHD kicked in hard today so ya'll are getting this.)

Let's make this quick.

Spring Man: Pass

I say pass because this mf is just too damn goofy. Like, I love him but I just wouldn't smash him.

Ribbon Girl: Pass

For those who don't know, she is 17 in game and I quite frankly don't want to be on an FBI watchlist by the time this is posted so **no**.

Ninjara: Smash

Fam, have you SEEN this dude in game like GODDAMN HE IS THICK. Also I'm more than positive he has at least one of the traits for him to be considered a TumblrSexyMan so there's also that.

Master Mummy: Pass

Uhh... Guys, isn't he some dude's reanimated corpse brought straight back from the dead? Idk 'bout ya'll but simping for him would be kinda sus.

Mechanica: Pass

Like Ribbon Girl, Mechanica is 15 making her a minor. Does it look like I'm trying to be put on an FBI watchlist???

Min Min: Smash (Drums in the background: *bu dum tiss*)

Listen, all I'm saying is that she would totally dominate me-

Twintelle: Smash

Do I need to explain?

Byte and Barq: Pass

They are just too bulky in design. Also, I know smashing Barq wouldn't be required but smashing a robot dog sounds incredibly sus.

Helix: Pass

This flubber lookin' mf is 2 years old, and Idk bout ya'll but even if he wasn't 2 smashing that thing would be kind gross.

Kid Cobra: Smash

Litterally any TumblrSexyMan you can think of is quaking rn. He's got the mystery, this sexy ass voice, and don't forget the fact he has two different colored eyes. If you argue with me on this I will eat a shoe.

Max Brass: Pass

Mf really got bested by the QWEEN Dr. Coyel and had his ass thrown into a building. What more can I say?

Lola Pop: Smash

No I do not have an infatuation kink thank you very much. I've just always been a fan of her

character since she was first revealed. I have a feeling she may look kinda innocent in public but is definitely into some freaky shit.

Misango: Pass

Idk, man's just not really my type. Do like his spirit buddy though. (*Not in that way sickos*)

Springtron: Smash

Idk why but I have a weird obsession with fictional robots. Also I used to (and still kinda do) ship him with Kid Cobra.

Dr. Coyel: Smash

I'm just gonna say it, SHE IS A MILF IF I'VE EVER SEEN ONE! She sent Max Brass flying into a building, has one fuck of an IQ, and she is head of ARMS Labs so you know she is into some freaky shit. I'd let her step on me.

Biff: Pass

He may be a god but he looks like a goddamn dog toy.

Smash: 7 Pass: 9
